

Some operational information to understand better the post documentation Home Loan Journey.

- Please go through all the terms & conditions of the Arrangement Letter and clarify any doubts during documentation.
- Interest is to be serviced during the moratorium period. Please ensure.

Name of the RACPC / RASMEC	Description			
		Purpose	Email Id	Land Line
		Disbursements		
		Registration		
		Maintenance		
Home Branch & Code	Home Branch is the branch, where Home loan is parked. For disbursements, Deposit of Original Title deeds and maintenance activities customer has to contact RACPC / RASMEC.			
Concept of Margin	The cost of house / plot is shared by SBI & Home Loan customer/s. The portion of the Project cost which the customer brings in is called as MARGIN. Whenever disbursement of Loan will happen, the customer should bring his portion of Margin and the remaining amount disbursed to the Seller/ Builder.			
Process of first disbursement and subsequent disbursements	Disbursements will be made in stages corresponding to the actual progress made in the construction. Certificate from the engineer / architect confirming stage-wise completion of the house / flat should be presented. Flats: Please fill up and sign the disbursement request (available in RACPC / RASMEC) and submit it at the disbursement counter by enclosing original payment receipts received from the builder for previous payments along with the latest builder's demand letter. Please also ensure that the Margin money is available in your SB account. Independent House (own construction): The disbursements for self-construction is by way of reimbursement. After completion of construction at each level (Plinth level / Stilt or Window level / Lintel level / Roof / Finishing level) reimbursement can be availed. Please fill up and sign the disbursement form (available in RACPC / RASMEC) and enclose your original payment receipts, Panel Valuer certificate and submit it at the disbursement counter. The construction site (flats and own construction) will be inspected by the Bank Official prior to disbursements.			
Process of Registration of House Property	For registration of the Property, disbursement procedure will be followed. Please contact the RACPC / RASMEC well in advance, as the RACPC has to arrange an Officer, to visit Registrar Office for collecting the original Title deeds, upon payment of Stamp duty and Registration Charges by the customer.			
House property Insurance	The house / flat purchased / constructed with Bank's finance should be insured by the borrower against the risks of fire/ riots / earthquakes / lightning / floods etc. in the joint names of the borrower and the Bank for the actual project cost after netting off the cost of land, cost of stamp duty and registration charges.			
Mandatory deposit of Original Title deeds for creation of EM	The Original Title deeds as mentioned in the Panel Advocate Report must be deposited with the RACPC / RASMEC as security for the Home Loan for creation of Equitable Mortgage (EM).			
Supplementary Legal Opinion	After the property is registered in the name of the Home Loan Borrower(s), through Absolute Sale Deed by the Seller/s , a Supplementary Legal Opinion will be obtained from our Empanelled Advocate in the name of the Borrower(s) (present owners of the property) to complete the Legal Opinion Report. The Charges will have to be borne by the borrower.			
Home Loan Interest Certificates	Home Loan customers who are having INB facility can view /download interest Certificate of their home loan accounts using www.onlinesbi.com/personal . "Home Loan Interest Certificate" link is available under "eservices / certificate" tab. The certificate can be viewed online, printed or downloaded in pdf. Alternatively, Customers may approach their Home Branch.			
Date of Repayment	While executing Standing Instruction / ECS / NACH mandates, please ensure that the date of transfer of EMI amount to your loan account always precedes the EMI date by 5 to 10 days to accommodate the transmission delays. Please ensure adequate balance in your accounts on repayment dates.
